

Superior Sections Ltd is committed to providing the highest quality service.

We listen to our customers, continually reviewing our processes of product realisation in line with business needs, maximising the efficiency of our resource management system.

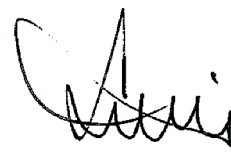

The principal elements of our policy are:

- To develop & maintain a Quality Management System satisfying the requirements of BS EN ISO 9001: 2008 which forms the framework for achieving continual improvement, effectiveness, complete client satisfaction & full realisation of all company objectives.
- To focus on the requirements of customers, establishing levels of communication capable of fully determining their needs & expectations.
- To establish & maintain an infrastructure capable of supporting all

company activities & realising all company objectives.

- To identify scope for improvement in every aspect of the company's activities, devising & implementing effective solutions throughout.
